variety + pleasure then if we brought all the things our-selves. Mrs. Pankhurst would certain-ly not be in her element at Denver. Poor old Carrie she was plucky though. I am afraid I shall never be lucky enough to see Bryan let alone hear him. I shall one day find you some more stamps I hope so. Dear I have had no time to look. Yes we have a big garden at the back about 100 ft in length. I thought I sent you a photo of it did not. Kind wishes

Yours ever

Faithfully Rando
